

# Brown School Group Enrichment 2015-2016

New this year!  
Amazing Athletes, Hip Hop Dance, Beginner Dance  
Combination Class

Enrichment classes will begin at the end of September. Each class offers approximately 25-30 weeks of instruction. Instructors will distribute their specialized course schedule on the first day of class. Students are enrolled on a first come, first served basis. Payment may be made at the time of enrollment, or you may be billed in 8 monthly installments. If Brown School is closed or the instructor is sick, classes will be cancelled and a make-up class will be scheduled, or a payment adjustment will be made. In fairness to our instructors, no other refunds will be given for missed classes due to student constraints.

# Group Enrichment Options

## Club Scientific

## Grades N-8

Club Scientific's after school classes are split into two groups Nursery-Kindergarten and grades 1-8. Each week they will explore new activities and experiments in different branches of science. Activities and experiments explore the fun of biology, chemistry, paleontology, and more. Club Scientific uses carefully designed inquiry centered lessons that involve children with hands-on activities which capture children's natural curiosity, stimulate their interest in science and teach them important science topics along with critical thinking skills. Science was never this much fun!

## KidzArt

## Grades PreK-6

KidzArt is a weekly drawing program for kids that will leave them with more than just an appreciation for art. Their proven teaching method builds self-confidence and develops problem solving and creative thinking skills. Students embark on a creative journey to explore the many elements of visual arts. Each week students will create original drawings, while being exposed to new materials, artistic styles, and cultural interpretations. All artist quality materials are included. No prior experience is necessary. This enrichment opportunity is offered in two groups: PreK and Kindergarten and 1st through 6th grades.

## Tae Kwon Do

## Grades K-6

Master Mechelle Smith, 6th Degree Black Belt has been teaching and training in the Korean martial art of Tae Kwon Do for over 30 years. Tae Kwon Do is an ancient martial art that combines moral values and respect with effective punching and kicking techniques. Tae Kwon Do is the most practiced martial art in the world today! Classes include warm ups, strength, and flexibility training. This is a black belt path program leading to World Tae Kwon Do Federation Certification. This course is offered to students in Kindergarten through Grade 6. Students who have taken previous classes will continue to advance their technique.

## Hip Hop Dance

## Grades 2-5

Open to grades 2-5. Hip hop originated from street dancing. This high energy style includes: locking, popping, house dance, break dancing, pop and electro-dance set to hip hop music. Kyle Henzler is a teacher/choreographer and set designer. Kyle has received her Level 1 and Level 2 Teacher Certification with top honors in ballet, jazz, tap, acrobatics, and modern dance through Dance Educators of America. She is a member of DEA. She teaches at Denise Baker School of Dance in Glenville.

## Beginner Dance Combination Class

## Grades N-K

Open to Nursery, PreKindergarten, and Kindergarten students. This class offers a fun introduction to ballet and tap that includes body awareness through stretching, musicality with across the floor movements, and use of props. The students will also be learning routines. Kyle Henzler is a teacher/choreographer and set designer. Kyle has received her Level 1 and Level 2 Teacher Certification with top honors in ballet, jazz, tap, acrobatics, and modern dance through Dance Educators of America. She is a member of DEA. She teaches at Denise Baker School of Dance in Glenville.

## Amazing Athletes

## Grades N-K

The Amazing Athletes program is specifically designed to enhance your child's learning experience through movement. At Amazing Athletes each child will learn the basic fundamentals and mechanics of 8 different sports (baseball, basketball, golf, hockey, lacrosse, soccer, tennis and volleyball) while improving 7 key areas of motor development.

Each class encompasses two developmental sports lessons along with activities proven to build and mature a child's motor development, hand-eye coordination, and cardiovascular fitness. The result of our action-packed curriculum is a program which allows every child to build their skills at their own pace within a non-competitive, learning-based environment that emphasizes patience, teamwork, and self-confidence! The program is offered to Nursery, Pre-K and Kindergarten students.
