

Brown School Mission

Our mission is to inspire each student to love learning while striving for academic excellence. Brown School's teachers work to identify and develop the strengths of individual students, thereby stimulating discovery, imagination, and critical thinking. Small classes, a dedicated staff, and an innovative curriculum combine to motivate children to reach their potential both academically and socially. The school's nurturing environment supports a diverse student community and encourages confident, articulate learners, who are disciplined, responsible and respectful of others.

The Writing Center at Brown School

“In good writing, words become one with things.” -
Ralph Waldo Emerson

The Writing Center at Brown School is an enrichment program in English Language Arts and Writing. This unique program offers an opportunity for students in the Capital Region to enhance their reading and writing skills in an interactive setting. Regardless of career choices, developing a good writing technique is an essential element in education that further develops into a life skill. The Writing Center at Brown School is ready to enrich students’ minds and empower their writing.

Enrichment Program will focus on fostering skills in the following key areas:

- **Writing Process**— Students are guided through gradual steps of prewriting, rough drafts, and the final document.
- **Creative Writing** – Students are encouraged to express their thoughts in a creative setting where they can explore various forms of writing in poetry and prose.
- **Advanced Placement Preparation** – Using practice lessons and tests, students are trained to meet the challenging curriculum of Advanced Placement courses in Literature and Writing.
- **Personal Statements/College Essays**— Students applying to high schools and colleges are encouraged to voice their thoughts to present impressive essays.
- **College Preparation/Aptitude Tests** – Students are trained to develop test-taking skills to meet the challenges of standardized tests (PSAT; SAT; ACT; TOEFL)
- **Communication Skills** - Reinforce different types of written communication skills.
- **Strengthen all areas of writing**—Levels: Elementary; Middle School; High School; College
