

EXTENDED DAY PROGRAMS

AM and PM Programs

To meet the needs of working parents, we offer both morning and afternoon extended day programs. Our AM Program runs from 7:00 AM – 7:45 AM. Our PM Program provides supervised childcare for students from 2:55 PM – 6:00 PM. During this time, the students are separated into different groups based on their grade level. During our PM Program, students are given time to relax and build friendships. They engage in Free Exploration in the classroom, Block Room, gym, and on the playground. Our older students are given time at the end of the school day to complete homework and read before beginning Free Exploration.

Plus Program

Our Plus Program creates a seamless school year for our students by filling in the recesses, holidays and professional development days of the school calendar. Our Plus Days run from 8:00 AM – 6:00 PM. During this time, students play in a relaxed environment while also taking part in fun activities such as arts and crafts, games, and cooking.
